Nature's Natural Way Farm will provide chemical free produce & herbs that are in season. As growers we will do our best to provide adequate supply of these items. However, as a shareholder (CSA Member), I understand that Mother Nature ultimately decides what and when I will receive my goods. I agree to pick up my goods at the farm on Wednesday's between 3-6PM. In the event I am unable to, special arrangements may be made.

Sorry, we do not offer substitutions or refunds
