Natural Raised Chickens & Turkeys

We will be ordering baby chicks and turkeys soon, we are doing things a little different this year. To make sure that we have an accurate amount we are asking that you order ahead.

Our chickens and turkeys are free range. They get to go outside, scratch in the dirt and absorb sunshine. We grow most of the grains they eat, when we run low we purchase a special blend that contains no meat-by-products. Chickens will be ready approximately early – mid July. You will be notified by email when we have a definite date, it all depends how fast they grow.

Turkeys will be ready approximately mid October. Again, you will be notified by email when we have a definite date, it all depends how fast they grow.

Chickens are approximately 7lbs and the turkeys are approximately 18 - 20lbs

Chickens and turkeys are cleaned, dressed and bagged whole.

We ask that you pick up the birds on the day of processing due to limited freezer space. (Special arrangements can be made if necessary)

Cost/Fees are as follows:

- Deposit required with order form, \$7.50 per bird for chickens & \$15 per bird for turkeys.

-Chickens - \$1.95 per lb to be paid (minus deposit) at pick up time.

- Turkeys - \$28.00 (each) up to 20lbs & \$30 (each) for over 20 lbs, to be paid at pick time minus the deposit.

Please fill out order form and return to address below. Must return no later then March 20, 2010.
